

Requirement for an Electrical/Electronic Engineering Technologist

About Scientific, Inc.

Scientific, Inc. is a VA-Certified, Veteran-Owned, Employee-Owned Small Business headquartered in Huntsville, AL specializing in nuclear and space radiation effects system survivability, analysis, verification, and testing. Scientific provides full-service science and engineering solutions to complex problems facing national defense and aerospace programs supporting both government and prime contractors. We study environment induced failures; explore new concepts and theories; execute and interpret environmental models; develop new technology designs and materials; and collaborate with government, industry, and academia to implement solutions for our customers.

Job Description:

Scientific is seeking an entry/early-career level Electrical/Electronic Engineering Technologist who is a respected, results-oriented individual with experience working in team and individual environments. Desired experience: Analog and digital circuit design experience using industry standard design and layout tools and hands on experience with formal problem solving and failure analysis tools and techniques. This position will allow the candidate to gain knowledge of semiconductor physics, radiation effects on semiconductor devices to include knowledge of radiation effects (TID, ELDRS, SEE, etc.) and experience using radiation simulators.

Education Requirements:

AS/BS Electrical/Electronic Engineering Technologist with experience with 1-3 years' experience.

HS degree and 9 years of experience.

Basic Qualifications (Required Skills/Experience):

Experienced in printed circuit board (PCB) design and schematic layout using industry standard EDA tools and techniques.

Experienced in bench top testing and analysis of semiconductor devices, circuits, and systems.

Create reports based on test results.

Primary Job Location: Huntsville, AL

Job Posting: 05/01/2023

Position Type: Full-Time/Regular

Travel Requirements: Up to 20%.

Security Requirements: Candidate must be a U.S. Citizen and possess, or have the ability to possess and maintain a final Secret Clearance.

Closing Date: 09/30/2023

Scientific is an Equal Opportunity/Affirmative Action Employer, M/F/Disability/Veteran.

Scientific believes in recognizing employees' worth by offering competitive salaries and benefits, including health, dental, and vision insurance, 401(k) contributions, educational reimbursement, and much more.
